

Missouri TBF Series Qualifiers Lake of the Ozarks March 13 & 14

Eddie Wolfe wins 1st place in both events
Keith Hendrix takes 2nd place in both events

Missouri TBF began its 2010 season Series Qualifiers on LOZ March 13 and 14, with two of our four events scheduled. Faced with early season cold water temperatures and cold front conditions, anxious TBF anglers took this opportunity to attempt to qualify for Missouri's 2011 State Team.

Taking 1st place on Saturday, TBF Vice President Eddie Wolfe from the Forsyth club, with 14.97 lbs. Eddie caught a total of five keepers on a shad colored stickbait in the Niangua arm of the lake, concentrated on chunk rock with the wind contributing to his success.

Eddie Wolfe

Taking 2nd place on Saturday, Keith Hendrix from the Wicked Sticks club, 14.82 lbs. Keith used a 5/16 oz. jig to accumulate his limit in the Gravois arm.

Keith Hendrix

Third place on Saturday was claimed by Rodney Bowersox, also from Wicked Sticks, with four keepers and 14.27 lbs. Rodney fished a Tenn. Shad pointer in the Gravois arm. Rodney also took big bass of the day with a nice 7.34 lb beauty.

Rodney Bowersox

Our Sunday tournament proved to be some what tougher for all anglers. But not with surprise, our day one first and second place finishers duplicated there same skills and again claimed first and second places.

Eddie Wolfe, 1st place with 10.93lbs. Eddie again used a stickbait to catch four keepers. Eddie said his Saturday fish all moved and had to search similar areas on Sunday.

Eddie...again

Keith Hendrix, 2nd place with 10.77 lbs. Keith also with four keepers again with jig in the same area as Saturday.

Keith...again

John Smalls, a co-angler with Team Concepts also accumulated four keepers, 10.07 lbs for 3rd place. John fished the Gravois using a Chrome McStick on chunk rock/pea gravel transitions in the wind.

John Smalls

Since two of our great anglers dominated the photo scene, here's a few more great catches.

Joe Gerth

Brian Maloney

Shane Bakken

Bob Meenan

Farron Morris

David Smith

Missouri TBF will conclude it's final two Series events July 10 and 11 on Truman Lake. The total of these four tournaments will qualify the top four anglers on our 2011 State Team. Our years final Championship, to be held Oct 3 and 4 on Truman Lake, will qualify the remaining eight anglers to complete our State Team.
