

It Pays to Belong to TBF!

Renew Your Membership NOW!

The Bass Federation is a member owned company continuing to find ways to make membership renewals easier and member benefits better for YOU! TBF and FLW memberships expire Dec. 31st, 2010. To get your membership dues updated without a gap or laps in insurance coverage, tournament eligibility and magazine delivery you can start updating Oct. 1st, 2010. The sooner we receive your membership renewals the faster and easier they are to process. Also, as long as we receive dues before Dec. 31st, 2010 we can include your membership in our counts, which go toward our continued funding and support of our core principles, youth, conservation and fishing, and YOUR full benefits. We will continue to do both TBF and FLW Outdoors membership updates online through your TBF clubs. TBF dues are \$15 and have been since 2000. FLW dues will remain at \$35.
